

## Circa 1890 Mounting Module

### 19" Rack Mount/Wall Mount

TOP: Front view of module  
RIGHT: Side view

Homaco Circa Mounting Modules accommodate Circa 1890 ECT1/NSC-100G protectors\* and mount to any 19" equipment rack or to the wall. For smaller installations where space is at a premium, wall-mount the modules. Each module provides built-in cable management to easily route and clearly trace jumpers, simplifying cable installation and maintenance.

#### Features

- Mounts (1) 100-pair Circa 1890 ECT1/NSC-100G protector per module
- Use for 66 block applications; designed for use with Homaco's 50M-201 series mounting brackets
- High-density installations are managed within a small space
- Keyhole module mounting for quick installation
- Five mounting modules can be installed on each side of a 19" Rack
- Welded structural grade steel construction
- Durable black finish
- Ships fully assembled to reduce installation time
- Mounting hardware included
- Meets EIA-310 standards
