

110D Stand-Off Wall Bracket

Homaco's 110D Stand-Off Wall Bracket allows you the extra space you need to mount a 110D Homaco Wall Module. The 2" stand off provides you added space for Category 5E and 6 cable. The module easily mounts on the bracket and then to the wall.

Features

- Use for 110 block wall mount module applications
- Keyhole slots allow for quick installation
- Bracket provides a 2-inch standoff
- Includes two brackets
- 12-24 hardware included for attaching module to brackets
- Mounts on any Homaco 110D Wall Module:
 - 110D-600-19
 - 110D-900W
 - 110D-1800W

Specifications:

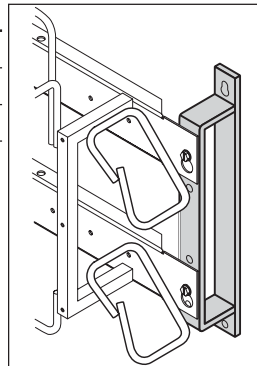

- Made of steel
