

## Equipment Support Brackets

Eliminate hazardous rack-mount equipment sagging and distribute weight evenly with Homaco Equipment Support Brackets. The brackets mount within the rack space beneath heavy equipment and firmly sustain 100 pounds, providing reliable front or rear support. Brackets are sold individually.

### Features

- Support servers and other heavy equipment
- Mount to any standard 19" equipment rack, including patented Adjustable Dual Racks
- Design allows open heat dissipation
- 12-24 mounting hardware included
- Durable black finish
- 12-gauge steel construction
- Meets EIA-310 standards

Brackets mount within one rack space.
