AW Pre-Terminated Wire-Wrap Blocks

Pre-Terminated Wire-Wrap Blocks arrive ready to install. Simply make the connection with 25-pair connectors — Homaco will wire and fully test the blocks for electrical integrity to assure outstanding performance.

Features:

- Terminal pins are made of 725 Cupro-Nickel Alloy for a superior wire-wrap connection
- Standard 12 x 32 pin field is filled based on customer specifications
- Custom line screening on the pin field can be requested to help identify connector patterns and positions
- Unobstructed designation strips
- Each pin row has its own large-diameter fanning hole
- Connectors are self locking
- Blocks are 4.75"H x 8.00"W x 2.75"D

Rear view, pre-terminated block.

Catalog No.	No. of Connectors	Type	Pair Count	Wiring Pattern	Ship Weight
AW8X25C-510	4	25-pair receptacle	100	horizontal	3 lbs
AW8X25C-521	4	25-pair receptacle	100	vertical	3 lbs
AW8X25C-610	4	25-pair plug	100	horizontal	3 lbs
AW8X25C-621	4	25-pair plug	100	vertical	3 lbs
